ON-LINE VOICES:

- CANADA Strategic Planning
- US Intergenerational Team
- Kenya - We're that! Introducing AI in Kenya.

AI University
- Exploring & Searching People's Knowledge
- Student Exchange Programs
- Create Context for Children to Learn

Focus: Not on Grades but TRANSFORMATION

AI should be in all CURRICULUMS - not just one University

Lead Universities should bring AI to other Schools

Accessibility & Affordability: AI
- greater Connectivity: Participation
  - City Town Villages

A learning that:
- Creates a difference
- Leads to Action
- Respect for Individual Differences
- Objective & Collective Efforts

Partnerships

Focus: No disparity, No discrimination
A BALANCED SOCIETY

ONLINE LEARNING
- Face-to-face online!

EXPAND ACROSS CONTINENTS!
