The Impact of AI Around the World

Her Irresistible Belief in Human Goodness

The way we “practice” AI was influenced very much by the International Community.

1999

- Y2 people practicing Appreciative Inquiry.

Organizational Change

- Scientific MGMT (Taylor)
- Organizational Dev. (Lewin)
- Appreciative Inquiry (Cooperrider)

- Interview each other and together make sense of the data.

International Development Organizations

Consulting to NGOs.

Using AI Process

One-On-One Interviews

Ken Gergen and books on Social Constructionism.

- Teaching others how to do things so they can do it themselves.

Organizations aren’t problems to be solved... Organizations and Mysteries to be embraced!
